Dear Higgins Family Members,

The 19th Higgins Family Reunion will be on July 28, 29, and 30, 2006 in the Braidwood-Wilmington, IL area. Tentative plans are to have a picnic on the evening of July 28 at either the Braidwood City Park or Wilmington Island Park, a late afternoon gathering with food and music on July 29, and a catered dinner and meeting on July 30. The key to the success of all of the above will be to know the number of us who will attend each function.

There are many facilities in this area that can accommodate small, medium, or large numbers of people, but many get booked months ahead of time. For this reason, it is very important that you let me know how many will attend each function by February 6.

Please provide the following information and return to me **BY FEBRUARY 6:**

Name and address of family _____

Phone number _____

Number attending July 28 Picnic _____

Number attending July 29 Gathering _____

Number attending July 30 Dinner and Meeting _____

Sorry, none of us will be able to attend _____

There are many campgrounds and motels in the area. **Information about them and reunion plans will be sent as soon as possible.**

Hope to see you this summer!!!!!!

Noreen
